Dedication . . .

Mrs. Mary Moore

The best teacher is the one who suggests rather than dramatizes, and inspires his listener with the wish to teach himself.

Bulwer

Friendship improves happiness, and abates misery, by doubling our joy, and dividing our grief.

Addison

In the time of our life when education is of utmost importance, there remains a special someone who has unselfishly dedicated herself to guide us in the right path, not only in the classroom but in everyday life as well. Her outstanding character, personality, and diligence will be remembered long after we have forgotten how to graph a sine curve.

It has been written that "oft the deed is mightier than the word." We only hope this deed will somehow say to her that which we cannot find words to phrase and will express to her our appreciation for that which we can never repay, for our respect is surpassed only by our love.

We the Senior Class humbly dedicate, this, the 1970 Archway, to Mrs. Mary Rives Moore.

In Appreciation . . .

Mr. Russ Cotton

For his great dedication to the well-being of every Farmville High School student, and for his worries, concern, and actions on our behalf, we, the Senior Class, would like to pay this tribute to a well-deserving man to show our appreciation. The man: our principal, Mr. Russ Cotton.

To every thing

there is a season,

And daytime to

every purpose

under the heaven

A time to live

A time to die

A time to love

A time to hate

A time to win

A time to lose

A time to laugh

A time to cry

A time to work

A time to play

A time to reap

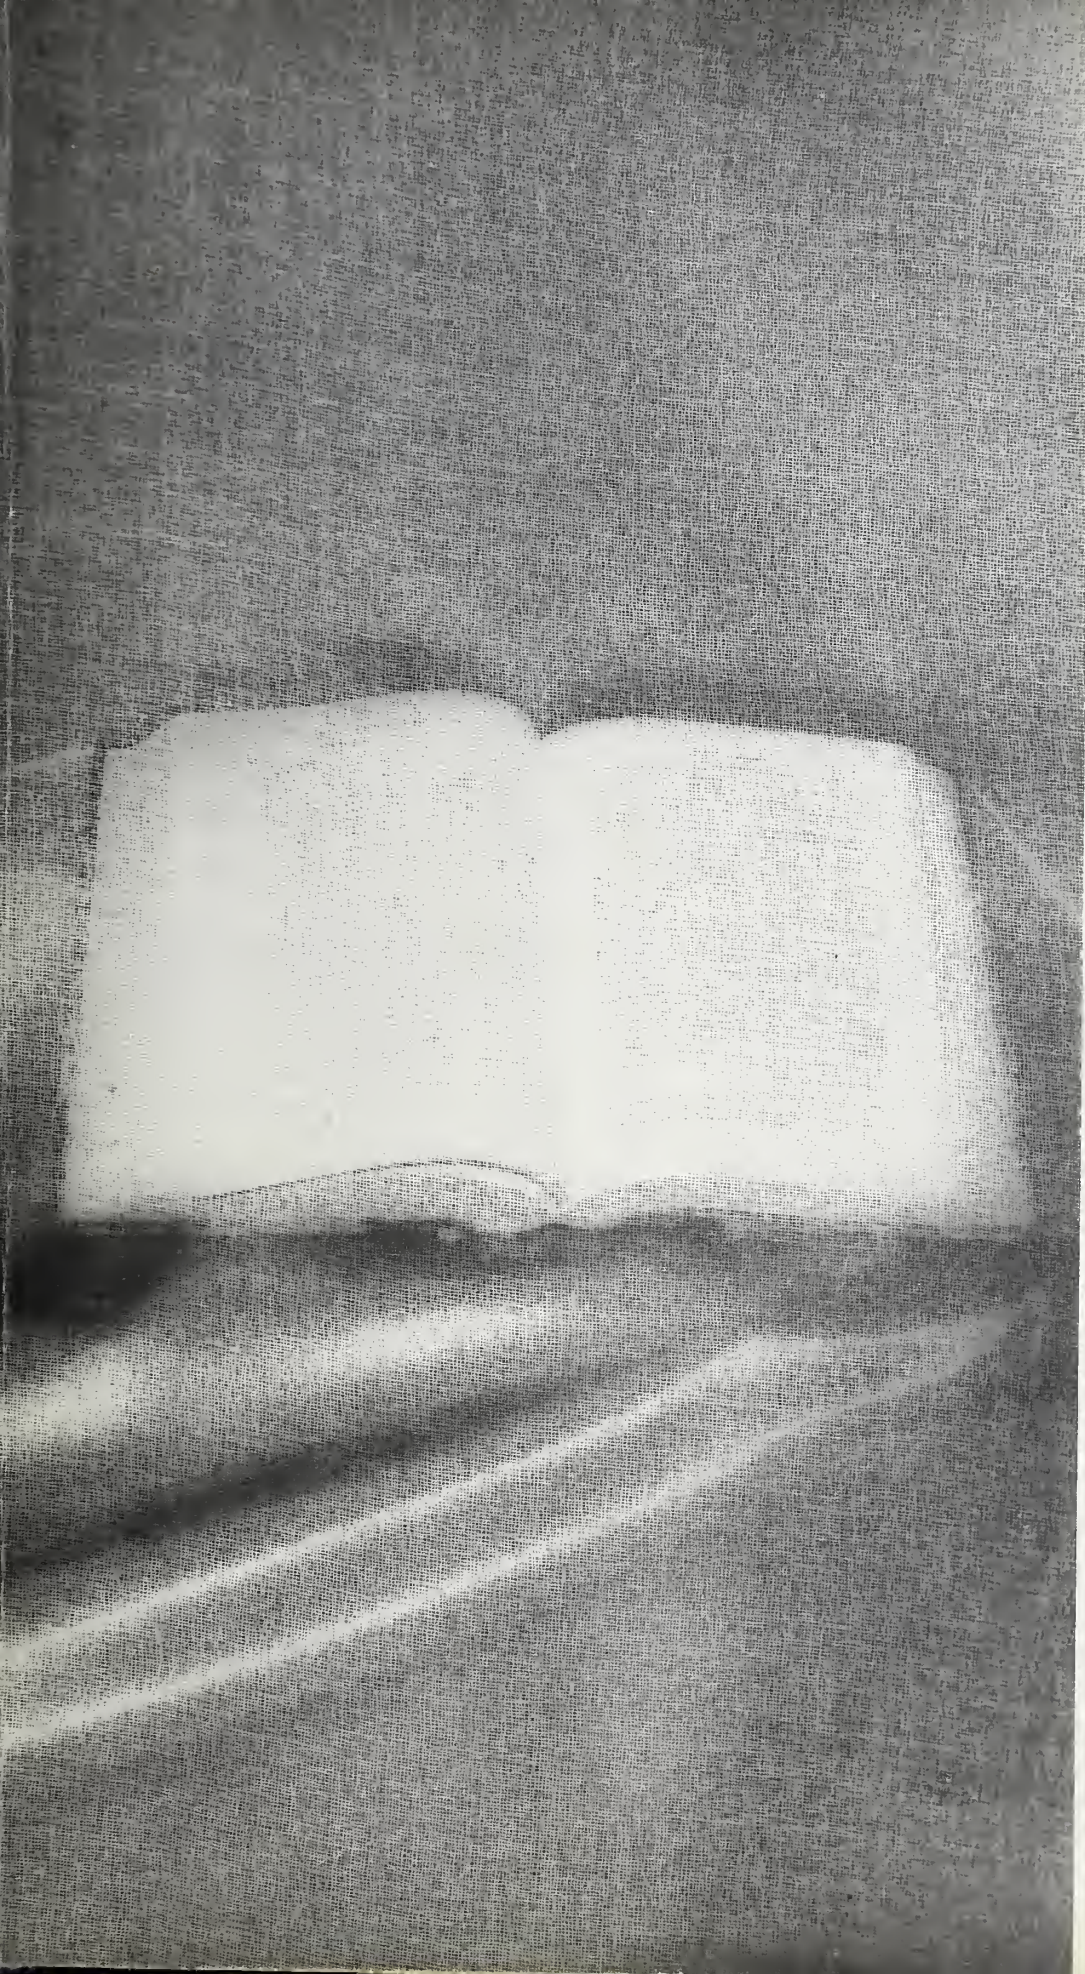

A time to sow

A time for us

Athletics

Farmville's mighty Red Devils were confronted with an adjustment to a completely new coaching staff. This was headed by Gene Brewer and rounded out with Johnny Hardison, D. L. Scott and Ronald Vincent.

Even with this change, the Devils combined cooperation and their confidence in the new staff with 8-1-1 record, and second place in the Eastern Plains Conference.

Boy's Basketball

This year's FHS cagers have worked hard and cooperated greatly with Coach Scott to make this year a good one. Much of the team remains since only four will not return for play next year. The team is young, and with more practice and experience, they surely will show even more improvement.

Varsity Cheerleaders

Advised by Mrs. Lewis and led by Valencia Willoughby, this year's squad has put forth a lot of time and effort to cheer our teams on to victory. Their vivaciousness and pep has helped boost school spirit. They're number one!

Alternates: Jo Ann McCoy, Reide Joyner, Karol Hart, Lea Patterson.

JV Football

Coach: Johnny Hardison.

Mr. Hardison, new JV coach, has spent much time training the team this year. The team had a fairly good season, and with work, practice, and determination, next year promises much.

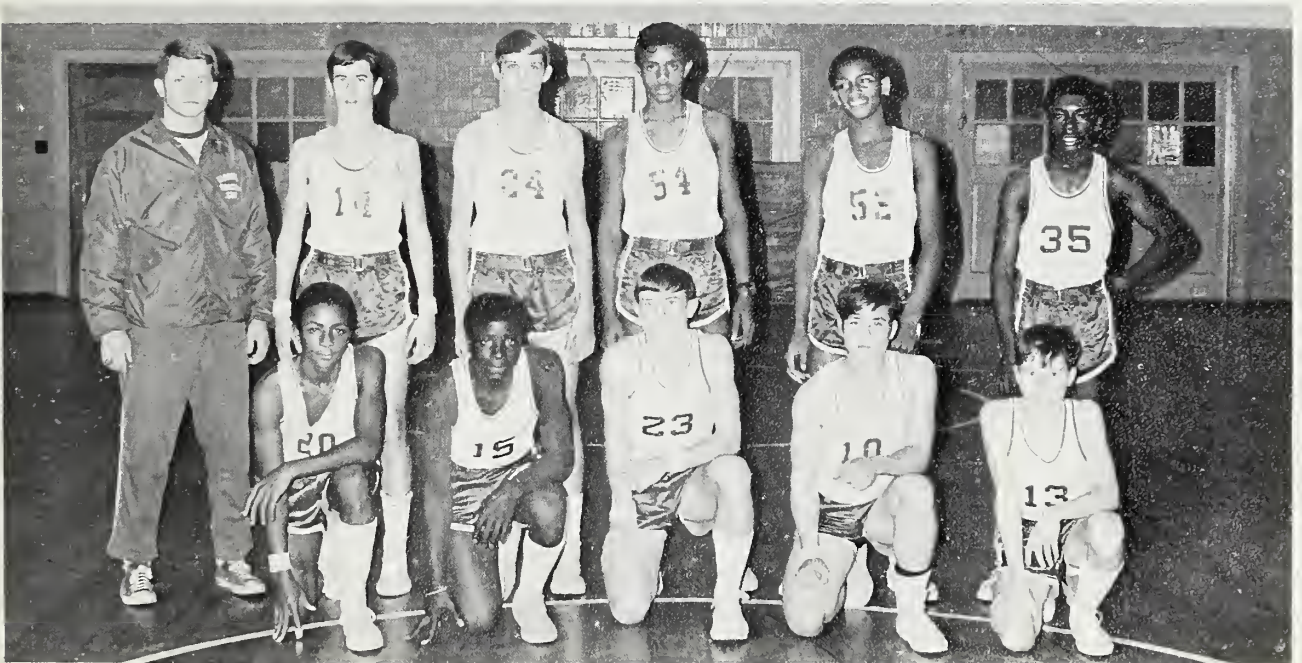

Coached by Mrs. Carol Brewer, the JV girls have worked hard this year. Since there are only a few other schools with JV girls, the girls did not see very much action. However, next year there will be more chances for them to prove themselves. With cooperation and work success will come.

JV Girl's Basketball

The JV boys, coached by Mr. Johnny Hardison, show much prospect for the coming Varsity teams. Much skill was shown during the season by many of the players who could advance to Varsity soon. Beginners on the team have improved considerably and should continue to demonstrate their skills next year.

"Ring around the rosie . . ."

For helping us realize our weaknesses, for encouraging us to work harder, for worrying while drinking all that coffee, yes, even for criticizing us, we would like to thank Mr. Lewis Lawrence.

As annual advisor, he has helped the staff immensely. We want him to know that his work and concern is appreciated.

Time it was,
And what a time it was

A time of innocence,

Preserve your memories,

They're all that's left you.
